In accordance with the condominium rules and regulations, no more than (3) three vehicles may be registered for a single condominium, to include trailers. Additionally, no occupants of a condominium who are not the deeded owner may register a vehicle without a current lease naming the occupant as a tenant.

Parking permits are issued and recorded for the vehicle listed above. You must notify the management office immediately if the parking permit will be placed on a different vehicle. Parking permits must be returned to the management office at the time of move out, and may not be transferred, loaned, or given to any person or occupant who has not completed a vehicle registration form.

By signing below, you agree to abide by the association rules and regulations for vehicle registration and parking. Failure to comply with these rules and regulations can result in fines and /or towing of the vehicle.
